CERTIFICATION AND AUTHORIZATION

I certify that the information on this form is accurate and complete. I am requesting reimbursement for eligible transit or parking benefits that are my own personal expenses incurred while I was a participant in the plan. I have already received these services and have not been previously reimbursed for these expenses and I will not seek reimbursement of these expenses from any other plan or party. In addition, the expenses for which reimbursement is sought will not be claimed as tax deductions on my personal tax return. I understand that if an expense is determined to be ineligible, I am responsible for reimbursing the plan(s) for any such expense or for payment of all related income taxes on amounts paid from the plan(s) which relate to such expense. All expenses incurred for transit or parking were incurred for parking at or near the business premises of my employer, or near a location from which I commute to work, an/or for regular daily direct commute from home to work and return. If no receipt is provided for commuter expenses, this vendor does not provide receipts (such as payments made by token/ticket machine, meter or cash box). If this is a Public Transportation expense, then the pass for this service in this amount is not available for purchase from my employer or the plan service provider.
